
SEVEN OAKS NEWSLETTER

January 2009

Note from the Architectural Committee

According to the Restrictive Covenants, Section III (L) regarding rooftop protrusions states, "metal rooftop protrusions on the residence shall be painted to match the roof color selections (weathered wood). If your rooftop pipes are not painted please contact your builder to have them painted. Most people are still in their warranty phase and can have this done under warranty conditions. Thank you for helping maintain the appearance of Seven Oaks!

Thank You!!

The HOA would like to thank every one who helped with the Christmas Lights at the entrances of the housing addition. We appreciate your time and effort!!

Welcome to Seven Oaks!
