## Seven Oaks Board News

### Lawn Maintenance

The Board has been working on the appearance of the Reserve areas in the neighborhood. As you may have noticed sprinklers were added to Reserve A at the front of the addition and Reserve B has been cleaned out and new dirt and sod added to reduce erosion.

Keeping our yards maintained in the neighborhood helps the overall appearance of our entire addition. Grass clippings should not be left in the street or blown down the drain system. This will cause the Reserve areas to become eroded and cost us in repairs and unnecessary upkeep. Please make sure you bag your clippings and dispose of them properly.

### Pool Reminders

The Seven Oaks Pool is available for party reservations after 5:00 p.m. daily. All reservations and pool concerns should be addressed to Jean at [jforrester@yahoo.com](mailto:jforrester@yahoo.com). Pool times are Tuesday-Sunday 8 a.m.-10p.m. The pool is closed on Monday for cleaning/chemicals.

**DO NOT SWIM BEFORE 5:00 P.M. ON MONDAYS!!!**
