Meet the Board Members

Gene Kozlowski, President

While Gene is new to Broken Arrow, he has lived in Oklahoma since January 1973. Prior to moving to Oklahoma, Gene lived in Connecticut where he was employed by the University of Connecticut (the Huskies). Until he took up residence at 3309 South 16th Street in June of 2006, he lived in Tahlequah where he worked for Northeastern State University as a professor within the College of Business and Technology. About half of the time he was employed in Tahlequah, he was Chair of one of the Departments within the College of Business and Technology. However, he will be stepping down as Chair of the Department of Information Systems and Technology as of July 31, 2007. He will be teaching full time at NSU's Broken Arrow campus starting in August 2007 and currently has plans to retire from NSU in May 2008.

He is married to Beverly and has one daughter who also lives in Broken Arrow. Gene has five grand children with whom he plans to spend more time in the future after retirement.

Michelle Reinsch, Vice President

I moved to Oklahoma from Shawnee, KS July 2006. I moved into Seven Oaks August 4, 2006. I am the Employee Relations Manager for Dollar Thrifty Automotive Group. I have one Shar Pei named Sadi. She is seven year old and allows me to pay the bills and live in the house with her. I like all water sports, fishing, hiking, camping, football, baseball and compete in racquetball. Go Cardinals and Chiefs!

Angela Jordan, Secretary

Angela and her family moved to Broken Arrow in February 2007 due to her husband's work. Angela has a degree in early childhood and has owned her own business for the last five years doing contract work as a grant writer and evaluator for public schools in the state. She will be working as the Director of the Weekday Early Education program at Arrow Heights Baptist Church this fall.

She and her husband Randy have been married thirteen years and have three beautiful children, Jace (9), Jaxon (6), and Jentri (4). Although most of her free time is spent as a chauffeur to her children she also enjoys scrap booking, writing, and decorating.

Mark Lowe, Architectural Committee

Mark is employed with Linde BOC process plants in Tulsa. As a Civil/Structural Designer with over 11 years experience he has been involved in major projects with Wal-Mart, Williams and the United States Military. He enjoys coaching competitive club soccer for TSC. With 4 children in the house Mark and his wife Melody are busy running in different directions. They attend Woodlake Assembly of God and are active members with the youth group. Mark and Melody moved into the Seven Oaks addition in January of 2007.

Karen Rollins, Treasurer

I moved to Oklahoma in 1979 from Vancouver, Canada. I am married to David and we have five children between us. Our children are Seth, 23 and Sarah, 22 who both live in Kansas City, MO and Meghan, 18, Heather, 17 and James, 15 who live here with us. We moved into the Seven Oaks neighborhood in May 2007.

After graduating in 1985 from OSU I moved to Dallas, TX and lived there for five years. I was employed there as Treasurer of a small savings and loan. I moved back to Tulsa in 1990. I have been in the Real Estate business as a Loan Officer and was also part of the telecom boom working for both Worldcom and then Williams Communications. I currently work in a small family owned Financial Planning firm. Our hobbies include reading, traveling, movies and we enjoy all sports.

Ashley Bullard, Welcoming/Social Committee

My name is Ashley Bullard. I live at 1813 East Kent Street. I am the Social/Welcoming Committee Chair on the Seven Oaks Board of Directors. I have been married for 12 years to my husband John, and we have 1 five year old son named Gareth. I own a scrapbooking company called "A Memory to Scrap".

Our house was the first foundation cut here in Seven Oaks. We took possession of our house 11 months ago. After moving 14 times over the last 12 years, my family built our house with the plan of being here as we joke until we die. Because this is the first place we are putting down roots, developing a sense of community and friendship within the neighborhood is very important to me.

William Gregory, Maintenance Committee

Where to start....Well, we think I'm one of the more "senior" people in the neighborhood, so not much more to say on that point. I have been married for 55 years to my wife Jacquelyn. We have 1 daughter, 3 grandchildren, and 5 great-grandchildren. I retired 10 years ago. My hobbies include all kinds of sports. I enjoy taking our cat, Nikki, for a walk around the neighborhood on his leash.

Be courteous!! If you walk your dog, please pick up the mess! Your neighbors will appreciate it greatly!
