## Welcome to Seven Oaks!

Newsletter Publication by:  
Seven Oaks HOA Board of Directors

### Notice to Seven Oaks HOA Members

The Board has been working on the repair and clean up of the retention pond in the front of the addition. The fish have done a pretty good job on cleaning up the algae so far but the board is considering the addition of a fountain to better aerate the water and help the pond stay cleaner. Also, the erosion of the sides of the pond needs to be repaired this spring. The architect committee has received bids and the cost will be around \$10,100 for the repair of the retention pond.

If you have any questions please contact Gene Kozlowski by March 21, 2008.
